Please be advised that the Department of Resources Recycling and Recovery (CalRecycle), acting as the Solid Waste Enforcement Agency (EA) for San Luis Obispo County, has received and approved for issuance per Title 14 California Code of Regulations (CCR) Section 18104.2, a Registration Permit Application for North SLO County Recycling.

Project Description

North SLO County Recycling is an existing chipping and grinding operation authorized to receive up to 200 tons per day of green material under an EA Notification filed in January 2004. The operator submitted a Registration Permit Application for a medium volume transfer/processing facility, which would allow the operator to accept up to 99 tons per day of green material and green material commingled with food material. The materials received will be chipped and ground and hauled directly to the operator's compost facility in Creston, San Luis Obispo County. The facility size remains at four acres and the days and hours of operation will continue to be Monday – Friday 8:00 a.m. to 4:00 p.m. for the public, seven days a week from 7:00 a.m. to 5:00 p.m. for company trucks, and seven days a week from 6:00 a.m. to 9:00 p.m. for maintenance and cleaning. The permit will be issued five (5) days from finding the application complete and correct or on or around January 7, 2014.
